

A FAMILY LIFE Christmas

At Family Life, we believe that the reason Christmas is the most wonderful time of the year is because it's the birth of Jesus! He is the one that brings light and hope into a dark and desperately needy world. Family Life's special programming during the holiday season is designed to draw families together in celebration of Christ's birth and to share the hope of the gospel. Christmas music begins the day after Thanksgiving and this year, is heard 100% of the time throughout the Christmas season. The joy culminates with the 72-hour Christmas Music Festival on December 23-25. Throughout the entire holiday, season listeners are treated to Christmas specials during the Family Hour along with short features throughout the day celebrating the birth of Christ. For an overview of each program, visit www.fln.org/Christmas.
